

Poshy Paws Canine Policies

Emergencies

Poshy Paws will seek professional veterinarian attention for any pet in its establishment at client's expense. In the event of an emergency, Poshy Paws will make every effort to contact the client directly.

Coat Condition

Poshy Paws believes in the comfort of every pet. Dogs that are matted will have mats shaved out instead of heavy dematting that may cause pain and discomfort to the dog. Mats being shaved run an increased risk for clipper burn or nicks to occur. Poshy Paws makes every attempt to prevent this including referrals to seek veterinary attention. Extreme matting cases will get an immediate referral to a veterinarian to remove mats. Additional fees may occur to compensate for the groomer's time and effort to shave or demat a pet.

Health

Poshy Paws tries to be informed of any health condition that may impact your pet's stay. We understand there may be underlying conditions that lay dormant and get triggered by stress during grooming. Please let us know if anything changes healthwise with your pet so we can adapt to the changes. Poshy Paws also requires your pets to be up to date on all vaccinations prior to every grooming service.

Pests and Infections

Poshy Paws does not treat fleas, ticks, or canine lice infestations. We also do not treat wounds or infections. A referral to seek veterinary attention will be required. Once the pests or infections are cleared up, the pet will be able to come for grooming services.

Aggression

Poshy Paws has been able to groom dogs that show aggression by using a muzzle for short periods of time or medications that help calm your pet. Extreme aggression to groomers or other dogs to the point that we can not control the situation and keep it safe will require a referral to a vet where they can perform a complete sedation groom.

Cancellation Policy

Poshy Paws requires at least 24 hours notice for appointment changes and cancellations so we have an adequate amount of time to fill the appointment. Clients will be required to pay a cancellation fee upon their next appointment if they cancel less than 24 hours before the appointment. Once two appointments are missed without giving proper notice, clients will be required to pre-pay prior to scheduling any future appointments.

Pick Up Policy

Poshy Paws makes every attempt to get your pet back to you in a timely manner. If you can not pick up your pet within one or two hours upon completion there will be a \$15+ daycare charge with grooming services.

Refunds

Poshy Paws is a small business not a corporation, we can not issue refunds because of the necessity of paying the groomer for their time and effort on each groom. We will do anything else possible to fix a groom or experience to the best of our abilities.
